## RESERVATIONS

While we don't take reservations in the Toppling Goliath taproom, we definitely appreciate a "heads up" for groups of 15 or more people. Knowing about your visit in advance allows us to seat strategically in hopes of getting your party seated right away - or at the very least, with a minimal wait time. It's also sometimes helpful to send one or two people ahead of the rest- to get your party added to the waitlist, if there is one. Call 563-387-6700 to let us know you'll be coming - we can't wait to host you!

## VIP ROOM

The Toppling Goliath VIP room is ideal for business meetings, small social or family gatherings, game-day parties, or for club or organizational meeting, offering a behind-the-scenes view to the brewery. This space comfortably seats up to 12 people and is equipped with a farm table plus casual seating options. We offer dedicated drink and appetizer service throughout your stay. The VIP space is equipped with an HDMI TV with a simple plug-n-play set-up for Powerpoint or other presentations. We can also stream most sports stations for watch-party events.

## MEZZANINE

The mezzanine offers a semi-private space with the taproom feel! Ideal for groups of 30 or more people, the mezzanine features windows to the brewery and overlooks the taproom - a loft, so to speak. Features include a private bar with dedicated staff, catered menu, lounge area, TVs for presentation purposes or entertainment, and private restrooms. It is accessible by stairs only - two flights of about ten stairs each. We do not have an elevator. If this presents an issue for you or a guest, please inquire with the events manager for possible alternative options.

## OUTDOOR TENT

During the warm-weather months in Iowa, parties love to enjoy Toppling Goliath's outdoor space. Our on-site canopy tent - located adjacent to the patio - offers an informal space to congregate at picnic tables, partake in a friendly game of bags, Connect Four or Giant Jenga, and enjoy some cold bevs in the fresh, outside air. TG offers dedicated food and beer service to parties who reserve this tent. The food service format - buffet-style or regular menu service - will depend upon your group size. Please consult the event manager for details.

## FOOD & DRINK MINIMUM

We want to make sure there's value in every dollar you invest with us! For that reason, the cost to use TG's event space is based on guest count and catering choices rather than a rental fee. A rental fee will only be applicable for groups of fewer than 30 guests who require a private space. TG offers a full catering menu, draft and to-go beer, a full cocktail menu, tours, and even TG merchandise as part of your experience. We can even host trivia or bingo as entertainment for your event! All food costs - plus any add-ons like entertainment, equipment, or merchandise - will be charged to one master bill payable the date of the event. Drinks can be handled in any number of ways: open bar, cash bar, or first round (or two) on the master tab then self-pay after that. Tours can be handled as self-pay or added to the master bill. All open tabs and the master bill (including sales tax and 15% minimum gratuity) must be paid at the culmination of the event with the event lead.

## PRIVATE TOURS

We are happy to accommodate a private tour of Toppling Goliath's state-of-the-art brewery within safety guidelines. We offer private tours for 15 or more people. The tour costs \$10/person and includes a souvenir glass with a free pour from a select menu of tour beers.

## DRINK POLICIES

The Toppling Goliath mezzanine features a private bar with eight taps from which Toppling Goliath beers will flow. Our event manager will determine the tap list, ensuring that the most popular Toppling Goliath beers are offered, as well as a variety of beer styles and rotational brands. In addition to the taps offered through the private bar, your guests will have access to all beers on the current Toppling Goliath draft list. Whatever we can't pour directly from the private bar we will have served - direct to you - from the main bar. Bottom line: You and your guests will have full access to the current Toppling Goliath tap list without ever leaving the event space. We bring the beer to you!

We also offer a full cocktail menu and Black Oak wine in merlot, cabernet sauvignon, white zinfandel and chardonnay, plus an assortment of sodas, tea, lemonade. Please also ask your server for non-alcoholic beer options currently available.

You may not bring wine, spirits, or any other outside beverage into the event. Absolutely no flasks, wine bottles, or other drinks are permitted. If outside alcohol is discovered in the possession of a guest, it will be confiscated.

## FOOD POLICIES

All food is catered in-house. With the exception of a specialty cake - for which prior approval is needed - no outside food is allowed.

## DECORATIONS

Black or white linens are provided by Toppling Goliath upon request at no additional cost to you. Your minimum spend is based, in part, upon the timeframe you have contracted to be actively using the event space. In most cases, you may have access to the space an hour before your event starts, during which time you can decorate or re-arrange the space so long as you are not affixing anything to the walls, floors, or ceilings with duct tape, nails, or adhesive-back strips. Please, no glitter, glitter balloons, confetti, feather boas, flower petals, or ceiling drapings, unless pre-approved by the event manager. If you would like to rent decor, the event manager will be happy to help coordinate.

## SPECIAL EQUIPMENT

Rental fees for special equipment coordinated through Toppling Goliath will be added to your final bill, payable on the date of the event.

## ACCESS TO EVENT SPACE

You will generally have access to the event space one hour prior to your event, unless other arrangements are made with the event manager.

## BOOKING & DETAILS

We want to make sure your event goes off without a hitch! In order to do that, we ask that all menu details and guest count be finalized two weeks prior to your event date. You will be billed for food based on this guest count, so please dial it in as closely as you can. If confirmed guest count is not received within 7 days of the event, the guest count given at the time of booking will be used. We will do our best to accommodate any last minute increase in guest counts. Decreases in guest count are not allowed within seven (7) business days of the event. If you have guests with special dietary needs that require them to order from the regular menu, exceptions will be made on that basis. The special order food items will be added to the master bill. If you plan to offer drink tickets to your guests - whereby drinks ordered and redeemed with tickets are added to the master bill - please also confirm the number of tickets needed within 7 days of the event.

## CANCELLATION POLICY

We understand that things happen and cancellations are sometimes unavoidable. If you cancel 30 days or more from the event date, no cancellation fee will be charged. If you cancel within 30 days of your event, 50% of minimum spend is due upon cancellation.
